

“For the kingdom is the LORD’s and He rules over the nations” (Psalm 22:28).
 The one true GOD is the greatest King over all the nations and peoples of the earth because He is the Creator of all things and peoples (Genesis 1:1-2). The Kingdom of GOD is primarily a spiritual kingdom because GOD the King is present and active all through His creation by His holy Spirit. The Kingdom of GOD also has a royal family: GOD is royal Father, and Jesus the Christ is the royal Son (Matthew 16:16). Father and Son act as one divine King ruling over the whole Kingdom of His creation (Daniel 7:9, 13-14; Revelation 4-5). People who sincerely believe in Father GOD, and in Jesus Christ the divine Son and Messiah, are saved and are spiritually adopted children into GOD’s royal family. The Scriptures say: “To all who received Him, to those who believed in His name, He gave the right to become children of God” (John 1:12).
 Jesus taught that the lasting powerful Kingdom of GOD is spiritual, within His believers: “Nor will people say, ‘Here it is,’ or ‘There it is,’ because the Kingdom of God is within you” (Luke 17:21).

So the important questions are: Are YOU truly in the saving Kingdom of GOD and Jesus Christ? Do you have a living saving personal relationship with the King (GOD and Jesus)? Are you truly forgiven of all your sins? How do you know?

If you are sure you have a real personal relationship with GOD and Jesus the King, then **prove it** in your words and actions (John 15:1-10)!

If you are not sure you have a saving and forgiving relationship with GOD and Jesus the King, then please say a sincere prayer in your heart and mind **right now**. In faith, ask Jesus Christ to come into your heart and life and save you with His forgiveness of sins by His shed blood on the cross, and to give you His eternal life by His resurrection from the dead. Ask GOD to make you one of His children and good citizens of His Kingdom. Ask Him **now!!** **Accept Jesus your King and be saved now!**

Sincerely for you.

GOD IS THE ONLY ONE WHO CAN DO FOR YOU EVERYTHING THAT YOU NEED!

Kings and kingdoms are a very old idea. As you probably know, some countries such as England, Saudi Arabia, and others still have royal leaders and families. To many of us, royal families and kingdoms are romantic and interesting to watch or learn about. Royal families today are usually very wealthy and politically powerful. But today’s royal families and kings can never satisfy or care for everyone in their kingdoms, and royal families die like every other human being. Earthly kingdoms can be gracious and last for even hundreds of years; but eventually they end, and something new takes their place.

The wonderful news is that there is one King and one Kingdom that truly lasts forever, and does not fail in its efforts—I speak of the one true GOD who is the greatest KING of all, and GOD’s kingdom is always the greatest kingdom (Daniel 4:3)! “How awesome is the LORD Most High, the great King over all the earth” (Psalm 47:2)! “

**GOD IS KING!
 SO HE REALLY CAN
 HELP YOU TOO!**
