136). It is GOD who created human beings like YOU in His own "image," which means "person-hood" (**Genesis 1:27**). You have a self-esteem because GOD gave you one as a valuable creation of His. No matter what you think or feel about yourself, GOD created you a unique and special person. That means you are valuable just for being you!  
But because all human beings have sins, errors and mistakes (**Romans 3:23**) that make us so imperfect, our valuable self and self-esteem become damaged, hurt, weak, guilty, angry, frustrated, dirty, and more, and eventually we all die (**Romans 6:23**). We badly need a strong healthy self-esteem, but we cannot successfully achieve it all by ourselves, because we are naturally imperfect, sinful, uncaring or selfish (**Jeremiah 17:9**).

There must be a lasting answer and solution from GOD for this our situation and our imperfect unhealthy self-esteem! Yes! There is an answer for US ALL! Everyone would like to feel better about themselves. It is amazing how important a healthy good self-esteem is for every person! I thank GOD that after much physical weakness, depression, hurt and heart-ache in my own life, I learned what He could do for me through His healing work in my life and self-esteem. What is the "self-esteem" that everyone has? It is the view, opinion, and understanding that you have about yourself. Your self-esteem influences everything you do, and everything you say and think, because everything you do flows out of who and what you think you are. Whatever your self-esteem is, and however sick or healthy, strong or weak it is, it affects in some way everything you do.

Whoever you are, GOD does honestly love you, and our GOD wants YOU to have a good healthy self-esteem. He really does! But no human being's self-esteem is perfect. So our GOD has told and shown us how you and I can have a good healthy strong and meaningful view of ourselves for our improved daily lives. It is GOD who loves you more than anyone else does (**John 3:16; Psalm**
