

The best option is that after you die, people will sincerely remember you as a great blessing from the LORD GOD to them in their lives! It is so beautiful to be remembered for being a blessing from GOD to others! How can you be sure to be a blessing from the LORD GOD to some people in your life?

To be a great blessing to people, you must start by having the presence of the LORD GOD to share with people. So first, you must be sure to be in the presence of GOD. You can live in the presence of GOD by being born again, as Jesus said: "I tell you the truth, no one can see the kingdom of God unless he is born again" (John 3:3).

"Born again" is a way of saying "a real intimate relationship with GOD." You enter into the holy good presence of GOD by being "born again" into a real intimate saving and forgiving relationship with GOD. You become an adopted child of GOD's. As the Bible says: "To all who received Jesus, to those who believed in his name, he gave the right to become children of God" (John 1:12).

If you are "born again" into a real relationship with Jesus by sincere faith, you are an adopted spirit-child of GOD's. So then you have the Holy

Spirit of GOD living inside you, as the Bible says: "If the Spirit of God who raised Jesus from the dead is living in you, he who raised Christ from the dead will also give life to your mortal bodies through his Spirit, who lives in you" (Romans 8:11).

If you are "born again" by sincere faith in Jesus Christ, you have the Holy Spirit of GOD in and with you, the presence of GOD with you. YOU can be a blessing to people in their lives. With GOD and Christ Jesus in and with you, YOU can be a great blessing to people. So because of GOD and Jesus in and with you, you can die and be remembered by some people as a great blessing to them.

So please take the first step and make sure you are "born again" by sincere faith in Jesus Christ. So please stop and pray right now. Sincerely tell the LORD GOD that you sincerely believe in Him and believe in Jesus. Ask GOD to save your soul and your life and forgive your sins. Ask the Holy Spirit to live inside you and make you a true and safe adopted child of GOD. Ask GOD to make you a blessing through Jesus to many other people.

Sincerely for you.

How do YOU want your family members and friends and others to remember you after you die? Will they have joy and thanks? Or will they feel pain and anger? After you die, will people thank GOD they knew you, or will they curse you?

After I am dead, how do I want to be remembered? Will people remember me with joy and love, or will people remember me with regret

This leads us to ask ourselves some questions: goodness is not perfect like GOD is perfect. because you were good to them, although you people will remember you with joy and gladness, although you did not intend to hurt them. Some will think back and remember you with sadness, with your available time and energy. Some people disappointed about you although you do your best. This is sad because it means some people are please and satisfy everyone in your life. you are, no matter how great you love, you cannot No matter how hard you try, no matter how good realize that you cannot please and satisfy everyone. If you think about your life and activities, you
