

other truly redeemed Christians are good examples in many ways of GOD's fantastic miracle work. But our LORD GOD's most marvelous redemption work was raising the Lord Jesus Christ from the tomb, after He was crucified on a cruel wooden cross, for the sake of all people, including you! (Acts 4:10, 12; Romans 3:24; Ephesians 1:7). Jesus was redeemed from death, to provide us eternal life through His shed blood and death for us (John 3:16) and His being raised to life again by GOD (1 Corinthians 15:3-4). **We must accept these things in faith.**

AS SON OF GOD and truly part of GOD, Jesus lives now to possibly help, redeem, rescue, forgive, save, and heal you (Luke 5:31-32; Acts 2:32) however you may need in your life or soul. He knows all your needs. Please sincerely accept Jesus in faith, and surrender your soul and life-situation to Christ for His powerful work. Please pray in faith asking Jesus (Romans 10:9-10) to save your soul forever and give you eternal life, and to forgive your sins, or to take control of that problem of yours and solve it. By the HOLY SPIRIT of GOD He will begin His work for you today (Psalms 46:1). I hope today will be your real day of His salvation or new life or healing help! (2 Corinthians 6: 2).

Jesus Christ's resurrection is the true meaning of this holiday many of us call 'Easter.' It is truly

GOD too (Psalms 78:35). So GOD is in the life-saving and rescue business.

I know it because He has literally saved my life in the past, two or three times. And He has already saved my soul once and forever. So if He can rescue me, redeem me, just because He is so generous, loving and able, He can also definitely redeem or rescue you, however you may need it (Isaiah 44:24).

GOD wants to give you new life and hope and healing through our Lord Jesus Christ at this holiday time of Resurrection Day (Easter). But His healing, rescue, help, or mercy are all your decision.

Our precious LORD GOD who created you and loves you proved Himself a generous redeemer GOD when He delivered His people out of slavery in Egypt many years ago (Deuteronomy 7:8).

He also proved Himself a saving redeemer GOD to people who had a real personal relationship with Him in their hearts, such as Noah (Genesis 8:15-19), Ruth and Naomi (Ruth 4:13-15), David (2 Samuel 12:13), Job (Job 19:25), Daniel (Daniel 6:26-27), Esther (Esther 4:15-16), Peter (John 21:15-17), Paul (Acts 27:21-25), Lazarus (John 11:39-45) and many others.

The LORD worked in these peoples' lives in many different ways to rescue, forgive, and help them. They became good examples for us. I myself and many

RESURRECTION DAY! (Matthew 28:1-7). It is not Easter eggs and rabbits. I hope you and your family will have a Jesus-blessed Resurrection Day, in which you by faith see Him give you support, rescue, forgiveness of sins, needed healing, or needed new life and hope and joy.

It is your choice. You must surrender to Him (Romans 12:1-2), and allow Him to work it out for you. You must surrender in faith to CHRIST and let Him help you in His ways. He knows what is best and successful for you. GOD's helpful healing ways and loving personal relationship must include JESUS CHRIST and His salvation (John 17:2-3).

May our Lord Jesus Christ bless and guide you as you need. Please make Jesus your Redeemer this holiday if you have not done that already. GOD knows your heart (Hebrews 4:13). He knows what is truly best for you in your life. Please start by sincerely taking Jesus Christ in heart, mind, faith, and life. JESUS DIED AND ROSE UP TO LIFE AND WANTS TO HELP YOU, IF YOU BELIEVE HIM!

HAPPY RESURRECTION DAY!!!

Sincerely for you.

I hope and pray it will be a great Holiday for you and your family to celebrate Your Redemption, Healing, or New Life and Strength!

Ask anyone who has had their life saved by another person, or who has been rescued from some terrible problem, attack, or sickness. They know fairly well what "redemption" and "new life" feel like. The LORD GOD of heaven is a good and wonderful SAVIOR, and He is a redemptive —>
